MEMORANDUM FOR : HQ, USAF, AFCS-PG

Attention: Col. R. A. Berg

SUBJECT : Project Requirements for Air Weather Service Support

1. Attached hereto is a summary of project requirements for Air Weather Service support. This study was prepared prior to recent activities which involve a relocation of the field detachments.

2. Since there is considerable material contained in this study necessary for planning activities of the Air Weather Service, I am sending it on to you. I wish to emphasize that there are several dates and locations listed therein which are not valid.
